Hemsö increases committed credit facilities to SEK 13.5 billion

Hemsö has increased its credit facilities with SEK 2 billion, of which SEK 1 billion from Handelsbanken and SEK 1 billion increase of the subscription agreement from the Third Swedish National Pension Fund.

Hemsö now has undrawn credit facilities and subscription agreements of SEK 13.5 billion, of which SEK 6 billion comes from Hemsö's majority owner the Third Swedish National Pension Fund and SEK 7.5 billion comes from Nordic banks.

– We are now strengthening financial flexibility, which enables us to act quickly in the event that new investment opportunities arise, while ensuring that we continue to have very good available liquidity. We are grateful for continued support from the Nordic banks and our majority owner, says Rutger Källén, Deputy CEO and CFO at Hemsö.
